**Store Quotes:**

A larger quantity of cattle were yarded than normal for our Friday Store Sale which were made up of single vendor large lines, weighing from 200-300kg. The yarding was predominantly Brahman and Brahman X. The demand was stronger for Steers in the heavier weight range in the 300-400kg while weaner types were plentiful and sold to lesser rates than previous sales. Most cattle were showing the signs of the latter part of the season and were in plainer condition.
