MODERN INNOVATIVE EXECUTIVE 352m2 HOME / SHED / 3290m2 BLOCK

This unique property offers elegance, individuality, size and quality throughout.

Designed for low energy efficiency the home has been constructed with Hebel panel external walls, 100mm thick ceiling insulation, all internal walls are insulated, Led lighting, Apricus solar evacuated tube hot water system, 4kw solar system to provide huge saving on energy costs. Hebel panels perform well thermally, helping to keep your house cool from the heat in summer, and keeping it warm and cosy in winter.
